23rd Chama Valley Open Tees Off August 26th

NORA Electric Cooperative is excited to host the 23rd Annual Chama Valley Open Golf Tournament on Saturday, August 26, 2023. Every year, we look forward to meeting up with our friends and family for this highly anticipated classic summer tradition which raises money for the youth of our community.

For the last several years, the Chama Valley Open has taken place at the Cattails Golf Club in Alamosa, Colorado, but this year, we are moving the event to the Pagosa Springs Golf Club. This unique venue is located a short 49-mile scenic drive west and north of Chama at 1 Pines Club Place in Pagosa Springs, Colorado. Named as one of the Golfer's Choice 2023 Best Golf Courses in Colorado, The Pagosa Springs Golf Club is nestled within the surrounding San Juan Mountains offering spectacular views from each hole. Golfers will make their way through open meadows and an array of majestic ponderosa pines, blue spruce, and aspen trees experiencing changes in elevation of up to 100 feet as they progress through the course. This change in venue will allow for more teams to enter the tournament accommodating up to 30 teams. In recent years, we were limited to 18 teams due to the size of the Cattails course, and some teams were turned away.

For \$100.00, each golfer will enjoy a full eighteen holes of golf, use of a golf cart, player goodie bag, door prizes, and lunch. Preselected teams can enter as a group or individuals without a team will be assigned to a team needing to complete a foursome. Although helpful, no experience is necessary to compete.

Tournament day registration for participants begins at 7:45am and tee time is scheduled for 9:00am.

The tournament will be played in a scramble four format. Each member of the team will tee off, and the best shot will be selected. The next shot is taken from that spot continuing until a ball is sunk in the hole for all eighteen holes. This scramble format helps speed up the pace of the game while allowing players of different abilities to stay competitive.
