

SECURITY LIGHT SERVICE AGREEMENT NORTHERN RIO ARRIBA ELECTRIC CO-OP, INC

I, _____ request that NORA Cooperative install a photo-electrically controlled security light at the location described below, and agree to the following terms and conditions.

1. Security light installations and related equipment shall be owned, operated, and maintained by the utility. All facilities installed on the consumer's premises shall be the property of the utility.
2. Security light installations shall require a 60 continuous month (5 years) service agreement, or as provided by contract.
3. Security light installations shall be controlled by light sensitive photo-electric cells.
4. It shall be the consumer's responsibility to notify the utility if security light maintenance is required.
5. Security light installations shall be maintained by the utility only during normal working hours.
6. Security light installations may be inoperative during periods within a month, but such periods shall not cause the net rate per month to be adjusted.
7. Security light installations may be installed on a temporary basis in accordance with the rules and regulations covering temporary electric service.
8. The consumer agrees to pay the costs incurred to repair or replace any damage to the light or equipment due to vandalism.
9. The consumer agrees to pay a contribution in aid of construction for any installation costs in excess of \$150.00 per installation.
